# ATHLETICS ADMINISTRATION

## LEE REED

**DIRECTOR OF INTERCOLLEGIATE ATHLETICS**  
**FRANCIS X. RIENZO CHAIR**

Lee Reed was named the 17th director of intercollegiate athletics (Francis X. Rienzo chair) at Georgetown University in April 2010. Now entering his eighth year on the Hilltop, Reed's impact and leadership style is reflected in his favorite saying, "Successful athletics programs are STUDENT-ATHLETE centered, COACH driven and ADMINISTRATOR assisted." And all strategic decisions in the department reflect this mantra on a daily basis.

Reed oversees one of the largest broad-based intercollegiate athletics programs in the nation with 29 varsity programs and more than 700 student-athletes, a full 10 percent of the undergraduate population at Georgetown. Under his leadership the Hoyas have remained prominent on the national landscape while maintaining their commitment to the values that define the oldest Catholic and Jesuit University in the country.

During the summer of 2017, Reed was recognized by the National Association of Collegiate Directors of Athletics (NACDA) as one of 28 winners of the Under Armour Athletics Director of the Year Award, as a result of his work at Georgetown.

Reed led the athletics department's ambitious fundraising campaign to build the John R. Thompson Jr. Intercollegiate Athletics Center (IAC), a 144,000 square foot practice and training facility, which opened in August 2016. The Thompson Athletics Center is a state-of-the-art building that has greatly enhanced the support facilities available to all of Georgetown's student-athletes.

In the classroom, Georgetown athletics teams have been as competitive as they are in the field of play. Last year, student-athletes combined to post a 3.269 grade-point average, the highest mark since that figure has been tracked. In addition, nearly 400 student-athletes were selected to the BIG EAST Academic Honor Roll, and for the eighth-straight year, at least 12 teams received NCAA Public Recognition for Academic Progress Rate scores.

The 2016-17 season saw Georgetown celebrate BIG EAST Championships in men's cross country, women's soccer and women's golf, the latter two were the first for each in program history. The men's cross country team finished 21st at the NCAA Championships and the women's soccer team advanced to the NCAA College Cup and finished the season ranked No. 4 in the country. Georgetown finished the year ranked No. 73 in the Learfield Director's Cup, the highest among all BIG EAST Conference schools and No. 4 among all non-Football Subdivision programs.

Under Reed's guidance, the athletics department has also developed the Hoyas Lead program, a part of the University's effort to ensure that participation in intercollegiate athletics is truly a comprehensive contributor to the development of the minds, bodies and spirits of student-athletes.

Reed came to Georgetown after serving as the director of athletics at Cleveland State University in Ohio for eight years (1994-2002). Reed oversaw a department that captured 11 Horizon League Championships, as well as six runner-up finishes in his final three years.

# ATHLETICS ADMINISTRATION

Reed is well respected nationally and was named third vice-president for the National Association of Collegiate Directors of Athletics (NACDA) in April 2015. He is the first former NACDA intern to be named an officer of the association.

A four-year letterwinner in men's basketball at Cleveland State, Reed played on teams that compiled a 61-47 mark, serving as team captain for the 1982-83 season. Reed then served as an assistant men's basketball coach at the University of New Mexico from 1984-86. He later earned a master's degree in sports administration from UNM in 1994.

Reed has served as chairman of the John McLendon Memorial Minority Postgraduate Scholarship Awards committee, which is operated through NACDA, and as a member of the Board of Directors of the Greater Cleveland Sports Commission. In March of 2005, he was named one of the 50 Most Powerful African-Americans in Sports by Black Enterprise magazine.

Reed spent seven years (1995-2002) at Eastern Michigan University, the last four as associate athletics director for internal affairs. As associate athletics director, Reed oversaw all internal affairs of the department, including compliance, operations and facilities.

At Fordham, Geckeler signed a top 50 recruiting class in 2003-04.

Geckeler, a 1993 graduate of Georgetown with a bachelor's degree in psychology, was a four-year starter at point guard for the Hoyas. She served as team captain and led Georgetown to the 1992-93 BIG EAST Conference co-championship and a berth in the NCAA Tournament Sweet 16. Geckeler finished her career as a Hoya ranked in the top 10 for 3-point field goals made, 3-point field-goal percentage, assists and games played.

# BIG EAST CONFERENCE

In its fifth year of a configuration that includes 10 outstanding and respected academic institutions, the BIG EAST Conference is entrenched as one of the nation's outstanding Conferences and a leader in collegiate athletics.

The BIG EAST reorganized in 2013 and began a new era by returning to its basketball-centric heritage. The league's 10 member schools—Butler University, Creighton University, DePaul University, Georgetown University, Marquette University, Providence College, St. John's University, Seton Hall University, Villanova University, and Xavier University—adhere to an unwavering commitment to academic integrity, athletic excellence and community service.

Val Ackerman, who previously served as founding President of the WNBA, President of USA Basketball and U.S. representative to the International Basketball Federation (FIBA) was named fifth Commissioner of the BIG EAST in conjunction with new alignment in 2013. Under her leadership, the BIG EAST has maintained its reputation for athletic achievement at the highest level and has continued to be influential on the national inter-collegiate landscape, with numerous conference and campus administrators currently serving on important NCAA committees. She is one of the few sports executives who has held leadership positions in both men's and women's sports at the collegiate, professional, national team and international level.

Founded by Dave Gavitt in 1979, the BIG EAST has been lauded as a leader in innovative concepts in promotion, particularly television, and that reputation continues with the conference's relationship with FOX Sports. The BIG EAST has a fruitful multi-year partnership with FOX Sports and its national cable network FS1. FOX's comprehensive coverage of BIG EAST men's basketball includes the broadcast of all regular season games on FOX, FS1, FS2 or FOX Regional Networks, as well as the BIG EAST Tournament at Madison Square Garden, college basketball's longest-running post-season conference tourney held at the same venue.

BIG EAST institutions are located in seven of the nation's 36 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Milwaukee and Cincinnati.

FOX Sports platforms carry complete coverage of women's basketball regular season play and the BIG EAST Women's Basketball Tournament. Every Olympic sport championship is also carried on the network or digital platforms.

The BIG EAST has also increased the visibility of its member school programs with the expansion of the BIG EAST Digital Network (BEDN). When the conference launched BEDN in 2014-15, the league became the first collegiate conference to be hosted on the FOX Sports mobile platform, FOX Sports Go, the app that provides live streaming of FOX Sports content. For the second straight year, BEDN will carry 225 live events with an emphasis on women's basketball, soccer and Olympic sport regular season and championship events.

The BIG EAST Conference became a reality in May of 1979 through the vision of Gavitt, the former Providence College men's basketball coach and athletic director. Providence, St. John's, Georgetown, Syracuse, Seton Hall,

Connecticut and Boston College formed the original seven-school alliance, and within the span of just a few years the conference had become a national power in men's basketball. While the composition of the BIG EAST evolved over the next three decades, the focus of its schools did not change, reflecting a tradition of broad-based programs led by administrators and coaches who emphasize academic strength and fair play.

In December of 2012, the seven BIG EAST schools that do not compete in FBS football—DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova—announced their intention to separate from the conference's football-playing schools and form an independent association. On March 20, 2013, the seven schools reached an agreement that enabled them to retain the BIG EAST name and assume the old conference's long-term pact with Madison Square Garden to host the BIG EAST Men's Basketball Tournament, one of the premier events in college athletics. The schools also announced the addition of three distinguished institutions sharing the same academic and athletic values—Butler, Creighton and Xavier—and forged a landmark, long-term broadcast partnership with FOX Sports. The BIG EAST moved its headquarters from its original location in Providence, RI, to midtown Manhattan in New York City to complete the transformation. The BIG EAST's new era officially began on July 1, 2013, its effective date as the NCAA's 32nd Division I conference.

To complement its athletic successes, the conference launched BIG EAST Serves in 2014 to align with the service missions of the 10 member institutions. Initiatives housed under the BIG EAST Serves umbrella, such as BIG EAST Serves Day, the BIG EAST Career Consortium and the national partnership with the It's On Us campaign against campus sexual assaults, reflect the conference's commitment to developing the complete BIG EAST student-athlete and making a positive contribution to the campus communities of its member schools and the conference's headquarters in New York. In 2017, the BIG EAST hosted its inaugural Mental Health Summit to help provide institutional personnel with information, insights and basic training so they can better support the mental health of their student-athletes.

The BIG EAST and Commissioner Ackerman have taken a leadership role in Sport at the Service of Humanity, an initiative created by the Vatican's Pontifical Council for Culture to focus on how sport and faith can drive positive social change through six principles—Joy, compassion, respect, enlightenment, love and balance. Ackerman was a delegate at the inaugural Vatican conference and served on an advisory committee to develop the framework and content for the initiative.

The BIG EAST hosts Freshmen Fundamentals, a unique program designed to assist men's basketball student-athletes in the transition from high school to college and the elite level of BIG EAST basketball. In 2016, the league started the Transition Game program for women's basketball. The interactive event assists women's basketball student-athletes in the transition from college player to emerging professional, both on and off the court.

BIG EAST institutions boast high graduation rates for their student-athletes, and the league has always

been able to boast that many of its best athletes are also its best students. Josh Hart, a four-year standout guard at Villanova, won the 2016-17 Senior CLASS Award in his sport for excellence in classroom, community, character and competition. In his career on the court, he was a two-time winner of the Dave Gavitt Trophy as the Most Outstanding Player at the BIG EAST Tournament and was a consensus All-American as a senior. DePaul's women's basketball outstanding performer Jessica January and Creighton volleyball standout Lauren Smith were both nominees for the NCAA Woman of the Year Award. January was a 2017 CoSIDA Academic First Team selection and a Senior CLASS Award finalist. She finished her career fourth on the school's all-time assist list and scored more than 1,500 career points. Smith was a first team Senior CLASS Award First Team All-America pick. She closed her Creighton career with the program's all-time record with 304 wins in and 138 matches played. She is the only Bluejay to be named BIG EAST All-Tournament Team three times.

The Conference, which crowns champions in 22 sports, had league teams earn a total of 33 NCAA berths and 78 individual NCAA invitations in 2016-17. Seven different national postseason championships saw multiple BIG EAST teams participate, including five teams in men's basketball and three in women's basketball. BIG EAST schools produced nine CoSIDA Academic All-Americans.

Current BIG EAST men's basketball programs have enjoyed extraordinary success over the years. Villanova won the 2016 NCAA Championship, its second in school history. Georgetown and Marquette also have won the national title. DePaul, Providence, St. John's and Seton Hall have all made it to the Final Four. The BIG EAST placed three men's basketball teams in the Final Four in 1985—Georgetown, St. John's and Villanova—over the only time this has occurred in NCAA history. Over the past 14 years, Butler, Georgetown, Marquette and Villanova have reached the Final Four, with Butler and Villanova making two trips. Xavier has advanced to the Elite Eight three times, including 2016-17, and the Sweet 16 four other times.

BIG EAST student-athletes have achieved recent success in other sports, as well. A BIG EAST team has won the NCAA women's cross country championship four of the last eight years (Villanova won twice; Providence and Georgetown once) with one runner-up finish (Providence). Creighton men's soccer has reached the NCAA College Cup in two of the past five seasons, with the Providence men advancing to the semifinals in 2014. Georgetown's women's soccer team reached the College Cup in 2016, the first appearance by a team from a non-football live conference since 2005.

In the 38 years since the original league opened its doors, BIG EAST teams have won 39 national championships in eight different sports with 145 student-athletes winning individual national titles in the league's history. Since 2013, the BIG EAST has produced nine national champions.
